

Keepers of the Delta High School Voyageur Relay Race

Race Bulletin #3

March 5, 2015

We have four entries so far! This bulletin update will be a review and general application form. Charlebois Community School in Cumberland House, Saskatchewan is celebrating 125 Years of Education. This is an invitation for your high school to attend *The Keepers of the Delta High School Voyageur Relay Race* as part of the celebrations.

This is a timed event having two teams in a heat. The event will begin on Tuesday June 9th with the first heat at 9:00 am. Heats will run each hour. Finals for the top four teams will be held at 5:00 and 6:00. The race will take 1 hour per heat. Team trophies for Gold, Silver, and Bronze.

A team must consist of 10 registered high school athletes, 19 years of age and under as of June 9th, 2015. Five athletes must be female and five athletes must be male. No athletes may repeat a leg of the race (meaning your archer may not be a paddler). The same team members must compete in the finals as there will be no substitutes allowed. Therefore, you should arrive in Cumberland House on Monday night for the race day Tuesday.

A team shall consist of: 1 Log Sawyer, 1 Archer, 1 Pack Runner, 1 Long Distance Runner, and 6 Paddlers in the Voyageur Canoe. All saws, archery equipment, backpacks, paddles, lifejackets, and voyageur canoes will be supplied. This is a timed event. Heats will be randomly drawn and posted 6:00 Monday June 8, 2015 at Charlebois Community School and will be posted.

All athletes and chaperones are responsible for their own camping and food. The school yard will be a secure camping area. But schools must supply their own camping equipment. Please note there will be further race updates.
